Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

We submit herewith a Form PTO-A820 and a copy of the reference. They are submitted to comply with the Applicants' duty of disclosure under 37 C.F.R. §1.56 and are believed related to this application. A \$180.00 check is enclosed with these documents.

The description in the cited reference is silent about the formation of stretchable raschel knit fabric. Accordingly, Applicants believe that the rudimentary comments on the ornamental pattern effect of tuck loops of pattering tuck warp yarns on the face of raschel ground knit fabric described in the cited reference do not provide any suggestion for designing a stretchable raschel knit fabric in which stretchability with remarkable elongation is imparted by the presence of tuck loops engaged with the ground knit structure,

We are submitting this in the spirit of voluntary disclosure.

It is accordingly requested that the Information Disclosure Statement be officially entered in the file of this case.
